Candidate Information Sheet
Saint Johns Northwest Master Association, Inc

My name is Marilyn Golden and I'm excited to announce my candidacy for a position on the Saint Johns Northwest Master Association, Inc Board of Directors. I'm looking forward to continuing the harmonious relationship with other board members and the community as well as the management team in a collaborative effort to ensure World Golf Village remains a great place to live!

After relocating from California in 2002, my husband Michael and I began working in the World Golf Village area. Between us, we have four beautiful children, two girls and two boys. We've had the privilege of getting to know and serve many of you and appreciate the community support as we built our business, International Golf Realty. Our previous contracting experience has been instrumental in our ability to effectively manage hundreds of properties. We've built a good reputation in the community as we have always sought to protect and preserve the properties and community we love so much.

Board members must know how to plan and understand the budget, manage the association's finances, deal with disputes, discuss and carry out ideas, and listen to its members. I have served as President for The Residences at WGV and currently serve as Treasurer on the SJNWM board. I believe my background and desire to protect and preserve our community makes me a good candidate for continuing to serve on this board.

I appreciate your consideration and look forward to serving you!
